

FREELANCE GRAPHIC ARTIST/MOTION GRAPHICS ARTIST 2001-2012

CLIENTS: SONY MUSIC, UNIVERSAL RECORDS, EPIC RECORDS, RAZORFISH, MODEL METRICS, STRHESS CLOTHING

As an independent graphic artist, I work with advertising agencies, design studios, technology companies, and clients directly on a wide range of projects. My work has included brand identity, illustration, package design, interface/mobile app design, video editing, motion graphics, sound design, apparel design, and online interactive work.

Critical Mass – SR. DESIGNER 10/08 - 6/10

CLIENTS: LAS VEGAS VISITORS AND CONVENTION AUTHORITY, AUTOTRADER.COM, BUDWEISER, SPORTS ILLUSTRATED, VALVOLINE

As a senior designer at Critical Mass, I worked across multiple accounts, focusing on LVCVA and AutoTrader.com. For LVCVA, I worked on many online initiatives including animation work, interactive UI design, and mobile site creation. On AutoTrader.com, I served as the creative lead for the account, heading creative and managing a design team.

Leo Burnett/Starcom – INTERACTIVE ART DIRECTOR 11/05 - 9/08

CLIENTS: FINISH LINE, GAP, JIM BEAM, LEGO, MATTEL, METROMIX, MUSEUM OF SCIENCE & INDUSTRY, NINTENDO, SHURE, SPRINT

As an art director, I collaborated and led teams of interactive designers and developers to create strategic online and print advertising for national clients. My exemplified leadership and skills promoted me from Interactive Designer to Art Director.

Razorfish – FREELANCE MOBILE INTERFACE DESIGNER 2005

CLIENT: MOTOROLA

As a mobile interface designer I worked with a team to produce mobile UI design and standards for upcoming handsets while focusing on technology trends, user experience and information architecture in this ever-changing market.

R. Sirko Design – GRAPHIC DESIGNER 9/03-7/05

CLIENTS: RJ REYNOLDS, VALPARAISO UNIVERSITY

As a graphic designer I led projects for print work, brand identity and logo design, web and interface design, motion graphics, 3D modeling and animation, and typography projects. At R .Sirko Design, we worked with both local and national clients.

ID Graphics, Inc. – GRAPHIC DESIGNER 5/02-9/03

CLIENTS: DIEHARD, MICHELIN, SEARS

As a graphic designer, I was in charge of all print and web design, as well as many other project manager roles. In addition to design, I was also involved in all steps of in running a screen printing press, from shooting screens to running a press.
